

Service technician

CH (March area, Höfe / Linth region,
Glarus region / Upper Lake Zurich
area

(m/f/d)
Full-time
Location Balsthal

Welcome to MAWERA – we are passionate about what we do!

Innovation, sustainability and passion – that's our DNA. As a technology leader, we develop state-of-the-art biomass boiler systems for sustainable energy production. Sound exciting? Then join our team and help us shape the future!

Your responsibilities

- You live in the **March, Höfe / Linthgebiet / Glarnerland / upper Lake Zurich area**
- You **commission** automatic **biomass combustion plants** and train the operators
- You carry out **troubleshooting** and **rectify faults** independently
- You will perform **service and maintenance work** on our systems
- You will **be on call** on a rotating basis throughout Switzerland
- You are willing to travel abroad (**Germany**) on **sporadic assignments**

Your profile

- You have **completed training in the field of heating, electrical engineering or mechanics** and have at least 2 years of **professional experience**, ideally in service engineering
- You are **customer- and solution-oriented, reliable** and distinguished by **your commitment**
- You have good **communication, conflict management and organisational skills**
- You have a strong **service and team orientation**
- You are **willing to travel**, have a **category B driving licence** and have a **good command of German**

5 good reasons to join MAWERA

- **Fair and performance-related pay:** including allowances and travel expenses
 - **A secure future:** permanent position in a stable company
 - **Development opportunities:** personal and professional training
 - **Top-notch equipment:** modern workwear, high-quality safety equipment and company vehicle
 - **Flexible working hours:** for a better work-life balance
- Teamwork is important to us:** we value an appreciative "YOU" and respectful cooperation

We look forward to receiving your application atservice.ch@mawera.com / Tel. +4162 386 25 25
